

Berlin, Oktober 2013 – JITTERS IS BACK AS “PUDDING PANIC” RETURNS

Berlin-based game developer kunst-stoff releases

“The Great Jitters: Pudding Panic Reloaded”

Everyone’s favorite anxious dessert J. Jitters returns for the premium release of kunst-stoff’s acclaimed action-puzzle game, “The Great Jitters: Pudding Panic Reloaded”.

Guide a shivering jello through 60 levels of a haunted house, help him keep up his courage in the face of witches, monsters and skeletons.

The Reloaded version of the game that “created a genre never seen before on the App store” (AppGamer) is set for release on October 2013. Just in time for Halloween.

The original release of “The Great Jitters: Pudding Panic” was featured as Game of the Week on Apple’s App Store, won the PocketGamer Gold Award and recieved a combined rating of 91 on MetaCritic. Now, Berlin-based game developer kunst-stoff is poised to release the „Reloaded“ Version of Pudding Panic, complete with new features in every level, a new Mad Science world plus special items and weapons that can be purchased with currency collected during the adventure. As an extra treat, kunst-stoff plans to add a macabre Monster Mode that allows a player to switch from hunted to hunter! It’s all part of the latest release of “Pudding Panic” , a game “utterly intense, but ridiculously addictive.... a puzzler without comparison” (PocketGamer UK).

***kunst-stoff** is an independent game developer and producer based in Berlin. kunst-stoff also produces interactive exhibits for clients in the industrial and cultural fields and is active in the development of new technology. In 2008, kunst-stoff was a composite of freelancers, working together on interactive games and exhibits. In the meantime, the company has grown into an award-winning game developer, receiving the honor of the German Developer Award in the category “Best Children’s Game 2010” and the „Red Dot Design Award 2011“.*
